

# **CONVERDYN WEB Wire – May 2005**

## **An up-to-date information bulletin on the nuclear fuel cycle**

**Our Mission: We will be the premier provider of nuclear fuel cycle services with customer satisfaction as our primary focus – Unique, Innovative and Successful.**

**May 31, 2005**

### **Successful Emergency Response Drill**

On Tuesday, May 23<sup>rd</sup>, the Metropolis Works Conversion Facility (MTW) in conjunction with the NRC held its scheduled Emergency Response Drill. The drill was deemed a success by the NRC, with only two areas being indicated by the NRC as needing improvement. A detailed report will be available on the NRC web site.

ConverDyn will continue to provide timely information on the status of the Metropolis facility.
